

IN THE UNITED STATES DISTRICT COURT  
FOR THE WESTERN DISTRICT OF TEXAS  
SAN ANTONIO DIVISION

JENNIFER ADAMS as Next Friend of  
Stephanie Staubitz,

*Plaintiff,*

V.

MAYRA CAVAZOS, RACHAEL  
VASQUEZ, JULIA MENDOZA,  
AMBER RICE, and BEXAR COUNTY,  
TEXAS,

*Defendants.*

§ §

CIVIL ACTION NO. SA-24-CA-634-FB

**AMENDED ORDER ACCEPTING REPORT AND**  
**RECOMMENDATION OF UNITED STATES MAGISTRATE JUDGE**

Before the Court is the Report and Recommendation of United States Magistrate Judge (docket no. 25) concerning Defendant Bexar County's Motion to Dismiss Plaintiff's Original Complaint (docket no. 11), along with Defendant Bexar County's written objections (docket no. 29) thereto.

Where no party has objected to a Magistrate Judge's Report and Recommendation, the Court need not conduct a de novo review of the Report and Recommendation. *See* 28 U.S.C. § 636(b)(1) ("A judge of the court shall make a de novo determination of those portions of the report or specified proposed findings and recommendations to which objection is made."). In such cases, the Court need only review the Report and Recommendation and determine whether it is clearly erroneous or contrary to law. *United States v. Wilson*, 864 F.2d 1219, 1221 (5th Cir.), *cert. denied*, 492 U.S. 918 (1989).

On the other hand, any Report and Recommendation to which objection is made requires de novo review by the Court. Such a review means that the Court will examine the entire record, and will make an independent assessment of the law. The Court need not, however, conduct a de novo review

when the objections are frivolous, conclusive, or general in nature. *Battle v. United States Parole Comm'n*, 834 F.2d 419, 421 (5th Cir. 1987).

The Court has thoroughly analyzed Defendant Bexar County's submission in light of the entire record. As required by Title 28 U.S.C. § 636(b)(1)(c), the Court has conducted an independent review of the entire record in this cause and has conducted a de novo review with respect to those matters raised by the objections. After due consideration, the Court concludes the objections lack merit.

IT IS THEREFORE ORDERED that the Report and Recommendation of United States Magistrate Judge (docket no. 25) is ACCEPTED pursuant to 28 U.S.C. § 636(b)(1) such that Defendant Bexar County's Motion to Dismiss Plaintiff's Original Complaint (docket no. 11) is DENIED.

It is so ORDERED.

SIGNED this 24th day of March, 2025.

  
\_\_\_\_\_  
FRED BIERY  
UNITED STATES DISTRICT JUDGE
